

February 27, 2009

Dear Church Leader,

We are writing to you to invite your church family to join us for ShareFest Waco 2009.

ShareFest is a one-day community-wide service opportunity for Waco churches, designed to benefit local neighborhoods. ShareFest began ten years ago in Central Arkansas with a small group of pastors who desperately wanted to find a way for churches to demonstrate with their actions what they had been declaring with their words. This simple idea of uniting together to demonstrate the love of Christ is now spreading to many ShareFest Cities all across the country.

This same church-driven project will take place in Waco on May 2, 2009. ShareFest Waco 2009 enables us, the local church, to live out our faith by serving others through projects such as clean-up and landscaping; moving and cleaning vacant lots; school and public building painting; and hosting food and blood drives.

The easiest way to find out more and investigate how your church might best participate is to attend:

2nd Annual ShareFest Waco Kick-Off Meeting

Tuesday, March 3

6:30-8:00 p.m.

Mighty Wind Worship Center

1100 Washington Avenue—Downtown

(enter church through the rear of the building, where the church offices are located)

Attending the kick-off meeting is NOT a commitment to participate, just an opportunity to find out more and hear from others who participated last year. I look forward to seeing you there!

Please feel free to contact me anytime if I can help you in any way.

Blessings,

ShareFest Waco Steering Committee*
