

# Bring It To The Table

## *A Marriage Enrichment Forum*

Bring it to the Table is a marriage enrichment forum that focuses on incorporating Biblical principles into real-life issues of marriage and family.

Each session explores the complex issues and emotions surrounding marriage and is filled with sound psychological advice and biblical direction.

The forum will provide information for maintaining good marriages and explain in a very down-to-earth manner the origin of many marital problems and the solutions to counter them.

While it is advisable for both partners to attend, you may attend alone if inconvenient for your spouse, so that you may still gather some knowledge and encouragement to energize your relationship. Participants may attend any number or combination of sessions. All Sessions are FREE!
