BEYOND PANDEMIC EMERGENCY

PREPAREDNESS:

It's Personal

September 2, 2010

8 a.m. - 4 p.m.

**MCC Emergency Services
Education Center
7601 Steinbeck Bend Road
Waco, Texas**

PROGRAM DESCRIPTION

This program is designed to be an informative and intense planning workshop. It will provide education to assist in personal preparedness. This conference will focus on lessons learned from 2009, and well as personal preparedness for flu season and beyond.

Program Objectives: Upon completion of the conference the participant will be able to:

- Discuss lesson learned from the 2009 flu season.
- Discuss the emotional/psychological impact of the pandemic as well as other emergencies and ways to mitigate the effects.
- Prepare a personal plan for dealing with all types of emergencies.
- Discuss zoonotic diseases and implications for public health.
