

Big Brothers Big Sisters Matching Grant Opportunity

Each of us has a cause that means something to us personally. Let me tell you a **little** something about Big Brothers Big Sisters.

Big Brothers Big Sisters is not your typical organization. We help children realize their potential and build their futures. We nurture children and strengthen communities -- and we couldn't do any of it without you. As a donor-supported volunteer youth mentoring organization, our program has been placing caring adults in the lives of children in one-to-one mentoring relationships since 1904. Right here in Waco, we are helping kids stay in school, graduate and go on to have productive lives through the help of a caring adult mentor.

If you believe in the power that one adult can have in changing the life course for one child, then you see the benefit that Big Brothers Big Sisters brings to our community. Your donation today will mean a lot in helping even more kids realize their potential and change their futures forever.

If you would like to make a donation to support our work in Waco, please visit our [donation page](#). Right now, the Waco Foundation will match all donations, up to a total \$15,000.

Please consider making a donation today, and make a BIG impact in Waco! Thank you for your time and your consideration.

Happy Holidays!
