

Bring change to Waco children this holiday season! Fun & easy, I promise.

We'll bring the jar to you!

Everyone loves to give during the holiday season. Bring that joy to your family, friends, coworkers, civic group, or Sunday School class by taking a *Change for Children* jar that supports the work of Talitha Koum's Nurture Center. Just hearing your coins clink to the bottom is a cheerful moment. (We accept non-clinking bills and checks, too!)

We'll bring the jar to you and pick it up when it's full!

Simply email: Marge@TalithaKoum.org or call her at 753-1144.

Our therapeutic nursery for infants through Pre-K is bringing brain development to children in Waco whose parents are too incapacitated to receive even government intervention. We are thrilled to be living this experience of seeing "the least of these" rise up, ready to learn and excel in school. Won't you join us this holiday season? Every *ca-ching* counts!

All the best to you and your family this holiday season!

Susan Cowley
