The annual ***"No Need Among You" Conference*** (Sept 15-17) has become a regional draw for hundreds of church and community leaders around Texas who are looking for practical and biblical ways to empower their neighborhoods, as well as those in their community who struggle in poverty, unemployment, addiction, homelessness, trafficking and other social issues. We hope you will consider joining us for this year's outstanding conference.

This year will be our best yet! With five great plenary speakers and around twenty-five workshops, you will be able to learn from some proven practitioners and engage in discussions which help deepen basic principles and best practices of Christian community development. And the cost is very reasonable so you can bring your staff or members.

On Saturday, there will be several "ministry tours," and the "Bridges Out of Poverty" training (Ruby Payne method). If you choose to stay for Sunday, you can join hundreds of folks on Mission Waco's annual "Walk for the Homeless" (8:00-10:30am), and even attend the 19th anniversary service of Church Under the Bridge.

Hope you will look at the website above to see all the options. Workshops will be listed in the next couple of weeks. Register now online.
