

Thanksgiving "Wing & A Prayer" Outreach....

Good morning, Pastor:

My name is Mark Clark and I am the music minister at West Robinson Baptist church on W. Moonlight, in Robinson. I'm also serving as interim pastor until we decide on a pastor for our church. Each year we join in with Bush's Chicken and we deliver 1000 chicken dinners to those in need. Our church does the cooking at our Bush's location in Robinson, and then we have area churches come and pickup the number of meals they would like to distribute in their communities. Some churches pickup 50, some 100 and some 200 or 300 meals.

If you would like to participate with our church in the distribution please let me know as quickly as you can. Just go to [www.westrobinsonbc.com](http://www.westrobinsonbc.com) and leave me a message so I can get in touch with you, and you can also read more about our "Wing & A Prayer" ministry while you're there.

God bless you!!
