

FaithWorks

FaithWorks is accepting applications for its new job readiness program starting February 8th. FaithWorks 4 week training course offers men an opportunity to learn the basic tools to get and keep a job. The course covers computer training, budgeting and finance classes, interview skills, job retention, resume writing, cooking classes and so much more. FaithWorks also provides transportation to and from the program for men in the downtown area. If you are interested or know someone that may be interested please contact the FaithWorks office.
