

Project Homeless Connect is scheduled for Thursday, January 26, 2012.

The Heart of Texas Homeless Coalition organizes Waco's Project Homeless Connect (PHC). PHC is held annually on the last Thursday of January. PHC is a community wide collaboration to bring together, for one day, agencies and services whose work impacts those experiencing homelessness to create a "one-stop shop" with the goal of ending homelessness. The services at PHC include areas of housing, healthcare, employment, and other quality of life resources in our community. At PHC 2011 we served around 130 individuals experiencing (or at risk of) homelessness, 40 different helping agencies were present, and around 80 additional volunteers came to help. PHC 2012 will be held at Waco Convention Center on Thursday, January 26, 2012, and run from 9am - 12pm. A brief lunch meeting will be held at approximately 12:30 p.m. to discuss the event and plan for next year.

Booths are available for organizations and agencies who serve the homeless. We are also in need of volunteers. If your organization/agency would like to reserve a booth e-mail projecthomelessconnectwaco@gmail.com.

Volunteer Orientation will be January 25, 2011, from 6:30 – 7:00 PM at the Greater Waco Chamber. If you, or your organization, are interested in volunteering contact Alexis Weaver at aweaver@waco-chamber.com
