

## ***The Future in Healthcare Delivery after Covid-19***

*Baylor University Lifelong Learning will host this free Zoom presentation on December 4, 2020.*

*Dr. Roland Goertz M.D. will cover the changes in aspects of healthcare delivery system, now and in the near future, due to the COVID-19 pandemic. Recently retired, Dr. Goertz served 22 years as the CEO of what is known as the Waco Family Health Center. During his tenure as the top administrator, this has put him in the forefront of changes in patient care as the Center and satellite clinics grew to 15 sites, and the Center provided care during to over 67,000 individual patients in McLennan County.*

*This **free** event is the final coffee for this fall and, consistent with our events and courses, will be online to keep our members and guests safe. **The online Zoom link is published under Events at <https://www.Baylor.edu/Lifelonglearning> where you can also register for the free event.***

***Baylor's Lifelong Learning** is a group of intellectually curious adults, age 50 and better, who gather for lectures, classes, and trips during daytime hours. Through volunteer leadership and member participation, our goal is to encourage ideas and the pursuit of learning while respecting the diversity of thought. Please call 254-710-6440 for information.*
