WACO, TEXAS: All We Want for Christmas Is You! The Dr Pepper Museum & Free Enterprise Institute is hosting a festive after-hours event for soda superfans. Our ***Holiday Make-A-Soda*** event is a great way to celebrate the season with family. Guests will try their hand at mixing their very own soda. We have a variety of flavors that range from cucumber and rose, all the way to chocolate and vanilla. We've even added some special holiday flavors including gingerbread, cranberry, and salted caramel! You learn a little history and make a soda in the process! Guests will also get to try either a Hot Dr Pepper or one of our new Specialty Dr Pepper flavor from our Soda Fountain and before they go, guests should stop by the Gift Shop and pick up their present from the Museum! We'll be Rocking Around the Christmas Tree with our Soda Fountain and Gift Shop open to everyone hoping to enjoy the Most Wonderful Time of the Year.

Social distancing and safety precautions, including required masks, are observed at all times. Please note ALL participants 2 years old and over must wear a mask per Museum policy, no exceptions.
